

# BOARD ELECTIONS 2017

## NEW APPLICANTS

**Autumn Yoke**

**Occupation: Policy Associate, State Board for Community and Technical Colleges**

My interest in joining the Board of Directors for the Olympia Film Society is rooted in my pure enjoyment of the movies and events at Capitol Theater and of the historic space itself. I am committed to supporting and promoting great art, whether film, visual art and craft, or live music, and preserving a unique space where people can experience it all. It would be a pleasure to serve the Olympia community in this capacity.

**Kelly Lux**

**Occupation: writer, tarot reader OFS volunteer, since 2004**

My name is Kelly Marie Lux, and my passion is film. I was the program director of the 2014 and 2015 Olympia Film Festivals, and I have been a programming volunteer at OFS since 2004. As an OFS board member my aim will be to advocate for film, assuring that this organization abides by its founding mission as a Film Society. I believe OFS needs to reflect the pure energy of complete appreciation of cinema and the arts. If it genuinely abides by this mission it will draw an enthusiastic audience. I truly appreciate and value OFS, and I always have. It is an extremely significant part of our arts community and it has played a vital role in my education in film.

**Jessie Jackson**

**Occupation: Executive Assistant, LEOFF Plan 2 Retirement Board, WA State**

As an active musician in the Olympia community I have experience with fundraising and marketing as well as community engagement. By day I work as an Executive Assistant for the state of Washington on a Board of Trustees, the LEOFF Plan 2 Retirement Board. I perform accounting, assist with budgeting and am responsible for many administrative services in this position. I believe working for a Board has given me the experience and professionalism you would expect a Board Director to possess. My interest to serve on the board comes from having performed and attended many events at the Capitol Theater, it being one of my favorite venues for music and film. I would like to assure that the theater and OFS continue to improve and are successful in bringing in increased revenue. I am willing to contribute my time and effort to help with fundraising, work on projects and initiatives, and participate in committees or in any area that is needed. I would be proud to serve on the Board and would represent OFS throughout my community.

## **RENEWING APPLICANTS**

**Christine Salvador**  
**Occupation: Human Resource**  
**Professional/Musician**  
**OFS Board Member since 2014**

Olympia is more than my adopted home; it's where I will live out the rest of my golden years (which is a long way off, I hope). A long time member and volunteer, I came to OFS over a decade ago to find an activity my daughter and I could do together. From the time I walked through the doors of the historic Capitol Theater, I knew I had found my second home. Since then, I have volunteered for some amazing events and see some incredible changes (and even witnessed a ghostly spirit or two), met so many people and made some strong connections, all through this community of people that love OFS, film, music, art... My background is in the performing arts (20+ as a professional actor, singer and musician) you may also see me playing music with Artesian Rumble Arkestra, Olympia's own activist street band. I am a positive ambassador for the organization, helping with outreach and education, working on events, and fundraising!

**Eileen LeVan**  
**Teacher/Retired**  
**OFS Board Member since 2014**

As a longtime OFS member, I have appreciated the independent films the film society makes available to the community, as well as the wonderful Capitol Theater, a great community space. I also like the wide range of music shows and comedy the OFS sponsors. I know it takes money, good staff, and dedicated volunteers to keep the organization going. I'd like in particular to work with this very strong board of directors to help keep the Film Society growing and thriving, and to preserve and restore the beautiful Capitol Theater.

**Elaine Fischer**  
**Occupation: Public Affairs/Communications at Department of Labor & Industries**  
**OFS Board Member since 2014**

OFS is on ready to take a great leap forward with improvements to the Capitol Theater and great programming in the future, and I'm excited to be a part of it. In the past two years on the board, I learned about the operations aspect of the organization and the challenges. There's so much to do, but so many who are willing to work hard to make the organization better. OFS has been a significant part of my life for the past 20 years, and I would be lost without it! That's why I am committed to serving on the board. There are challenges, yes, but I'm ready and willing to help ensure the success of OFS and the historic Capitol Theater.
